FY20 Regional Initiative Grant Program

This is a program of the Indiana Arts Commission (IAC). The IAC is an agency of State Government funded by the Indiana General Assembly and the National Endowments for the Arts, a federal agency. On behalf of the people of Indiana, the IAC advocates engagement with the arts to enrich the quality of individual and community life. The IAC is governed by a 15 member board of gubernatorial appointees and serves all citizens and regions of the state.

- Arts Project Support (APS) grants provide funding to Indiana arts and non-arts organizations to support a distinct aspect of the organization's arts activities, such as a one-time event; a single production; an exhibition; an educational seminar; or series of related arts activities, such as art classes or training sessions.
- The Arts Organization Support (AOS) provides annual operating support for the ongoing artistic and administrative functions of eligible arts organizations that align with the Indiana Arts Commission's Public Funding Imperatives. Please note that Arts Organization Support II is a two-year grant commitment.

This request seeks funding to partially offset the presentation expenses of the 2019 Miami Indian Heritage Days series, for the July to November programs. Through the Miami Indian Heritage Days series, each monthly presentation features a different element of Miami Indian history and culture, such as dancing, singing, drumming, beading, ribbonwork, cooking, traditional games, edible and usable plants, weapons and tools making, cattail matting and wigiwami (wigwam) construction, and more.				
3	APS	Bishop Dwenger High School	Allen	\$4,750.00
The grant funds will be used to help decrease fees for students involved in marching band, winter guard, winter drum line, string camp & jazz band. The students will learn the different elements of performing arts. Such as dance, music & visual arts. The performing groups incorporate the visual components of art into their shows. For example, in winter guard, the students learn how the music is also reflected by the use of color, lines, shapes, space, forms, texture & value.				
3	APS	Bishop Luers High School	Allen	\$4,156.25
The Knight Tales are a group of Bishop Luers High School theatre production students who endeavor to go out into our southside Fort Wayne communities to reach low-income and racially diverse children with two to three days of theatre workshops and a short performance. The Knight Tales are looking to expand their reach and will spend the IAC grant to fund additional costumes, make-up, and props, the printing of scripts and class materials, and transportation for the theatre troupe.				
3	APS	Children's Choir of Huntington County	Huntington	\$4,750.00
The Children's Choir of Huntington County is requesting funds to support the 2019-20 Concert Series consisting of 3 formal concerts and 8-10 community performances. The project involves 4 children's choirs ranging from 1st-12th grades, an adult choir for teens and adults with and without disabilities and various guest artists. Funds will be directed toward the support of the concert expenses (technical fees, music, etc.) and the directors and accompanists needed to prepare and direct the choirs.				
3	APS	Decatur Main Street, Inc.	Adams	\$4,750.00
The Kekionga Festival presents a cultural and historical overview that allows participants to experience life at the founding of our community. IAC funding will be used to help cover expenses of crafters, demonstrators and performers in the setting of an 1840's pioneer encampment. IAC funding will also help bring a widely acclaimed storyteller from Indianapolis and a wood carving group led by Scott Lepley. IAC funding will also be used to help promote the event with flyers, signs and news media.				
3	APS	East Allen County Schools	Allen	\$4,750.00
With the help of the IAC, East Allen County Schools will contract six artists from Heartland Sings to implement an Arts Integrated Residency at Southwick Elementary School for the entire 2019-2020 school year. These artists will help bolster student achievement in 1st grade classrooms by teaching lessons that integrate the genre of opera with Indiana State Language Arts Standards. The funds requested will solely be used to pay the contracted artists.				
3	APS	Easter Seals Arc of Northeast Indiana, Inc	Allen	\$4,750.00
Easterseals Arc requests \$5,000 to provide arts activities to a pre-established group of 400 adults with intellectual/developmental disabilities. The project will be implemented in collaboration with other community organizations and contracted artists and will include hands-on explorations of music, visual arts (painting, drawing and ceramics) and ballroom dance as well as in-house performances and community-based art experiences.				
3	APS	Fort Wayne Community Schools Foundation, Inc.	Allen	\$4,750.00
The FWCS Foundation Instrumental program provides musical instruments to students who otherwise would not be able to afford them in grades 7 through 12. It also provides summer music camps and small group music instruction. FWCS believes it is important to provide the experience of music to any student who wishes to participate. Funds will be used to fund expenses for summer music camps and instructors.				
3	APS	Fort Wayne Public Television Inc. (PBS39)	Allen	\$4,750.00
The Violins of Hope is a collection of restored violins played by Jewish musicians during the Holocaust. The instruments have survived the concentration camps to tell stories of resilience and survival. In collaboration with the Fort Wayne Jewish Federation and the Fort Wayne Philharmonic, PBS39 seeks IAC funds to share these stories with northeast Indiana viewers in November 2019 via interviews, documentary and a concert broadcast of original works performed by the Fort Wayne Youth Symphony.

4	APS	Tipton Community Theatre	Tipton	\$4,850.00
The proposed project is a fully staged production of "9 to 5, the Musical" derived from the popular movie. As a fairly recent release to community theatres it will be something new to go see. The target audience is families with older children and adults. The IAC grant funds will be used for sets, costumes, and to help defray the cost of "flying" Mr. Hart. It is felt that Mr. Hart must actually be flown to complete the outrageousness and fun of the show				
4	APS	Tipton County Pork Festival, Inc.	Tipton	\$4,850.00
We intend to showcase the rich and diverse artistic talents of our local Tipton community by: 1. Conducting a competitive art show in which individuals from elementary school age to retirees can participate. 2. Maintaining a performing arts stage to showcase local talent. 3. Facilitating an arts and crafts open air marketplace where local artisans can sell handmade items. The IAC funds will be used to subsidize a portion of the artisan entry fee and children's art based activities.				
4	APS	Wabash College	Montgomery	\$4,850.00
The annual VAS provides on average 3-7 public performances by visiting professional artists along with appropriate arts education workshops. All performances are admission-free and open to the public, providing rich cultural opportunities that are affordable and would not otherwise be available to our local and surrounding rural communities. The VAS includes a variety of genres: music, dance, literary, theater, etc.. IAC funds will be used for the visiting artists' performance fees.				
4	APS	West Lafayette Public Library	Tippecanoe	\$1,000.00
The Library is requesting funds for our annual Family Fun Day event. Located just two blocks from the Purdue University campus, the Library serves a diverse, yet often transient, population. Family Fun Day offers the Library the ability to engage both new and established members of our community and introduce them not only to the Library but the varied arts, civic and cultural offerings of the area.

5	APS	East Central Indiana Chamber Orchestra	Delaware	\$4,000.00
The funds received from the Indiana Arts Commission allow the ECICO to carry out its mission of bringing a fall, spring, and special outreach concerts of classical music to underserved areas and to support other musical organizations which strive to do the same. The funding is used to provide scholarship aid to deserving college students who play in the orchestra, a conductor stipend, to rent rehearsal and performance space in the Cornerstone Center for the Arts, and to purchase or rent music.				
5	APS	Hagerstown Nettle Creek Players Inc	Wayne	\$5,000.00
A staff of visiting professional actors, designers, directors and technicians live in Hagerstown for 6 weeks while they rehearse and perform a series of three Broadway musicals in a giant circus tent in downtown Hagerstown, tour a production to venues throughout the region and the state, and teach a Young Actors Workshop which provides opportunities to area students ages 10-17 to learn and perform. Grant funds would offset licensing, promotion and production costs.				
5	APS	Hoosier Shakes, Inc.	Grant	\$5,000.00
Hoosier Shakes will present two of Shakespeare's plays during the summer of 2020. Essentially, we perform two shows in repertory, five times each week, in four locations throughout Marion and Wabash. We enlist two directors, cast twelve actors, and employ a crew of four. Our total proposed budget is \$49,100.00. Specifically, we would use the IAC funds to offset marketing (\$1,000.00), production costs - i.e. costumes, props, etc. - (\$2,000.00), and visiting director Stipends (\$2,000.00).				
5	APS	Masterworks Chorale Inc.	Delaware	\$5,000.00
Masterworks Chorale is requesting \$5,000 to support our Fall 2019 Concert "Melodious Accord and Community Sing." This unique, cultural experience will include a performance of Alice Parker's well-known cantata, "Melodious Accord," followed by an interactive community sing led by guest artist, Mr. Paul Vasile, who will unify performers and audience in melodic harmony to create a sense of community, empower singers of all ages and ability levels, and enliven and transform community life.				
5	APS	Minnetrasta	Delaware	\$5,000.00
Minnetrasta requests funds to support the purchase of non-consumable painting supplies for the studio portion of the Bob Ross Experience, an immersive exhibit and workshop about painting and creativity. Set in the LL Ball home where WIPB filmed "The Joy of Painting with Bob Ross", the experience will reframe how people think about their mistakes, abilities, and self-expression through the story of Bob Ross in the house and community he painted in by inviting them to paint where he painted.				
5	APS	Muncie Children's Museum, INC	Delaware	\$1,360.00
The Muncie Children's Museum will offer free child friendly, hands-on sessions to paint on canvas with "Cookies and Canvases at the Museum". These four one-hour sessions will let twenty-five children each, ages five through ten, learn the basic skills of painting on canvas. These skills include balance, color theory, perspective, and decision making. These activities will take place on two Free Saturdays in 2020. IAC funds will pay for artist fees, artistic supplies, and some promotion.				
5	APS	National Center for Great Lakes Native American Culture	Jay	\$5,000.00
Indiana Arts Commission funds will enable NCGLNAC to pay appropriate honorariums to teaching artists for the year-long, hands-on cultural arts series classes and to visiting artists in residence at schools, museums, and other venues, to pay travel allowances to artists, to pay facility rental fees, increase local, regional and national promotional marketing on the multicultural, inter-generational youth and adult arts classes and retain our very affordable registration fees of \$20 to \$70.

In partnership with the Louisiana State University (LSU) Museum of Art, the gallery program at DePauw University intends to mount the traveling exhibition "Painting Enlightenment." Funding from the IAC will enable us to bring this world-class exhibition of timely and relevant contemporary artworks to our community, and will allow us to create programming and productive dialogue with our community in partnership with Castle Arts, Putnam County Museum, and the University community.				
6	APS	DePauw University - School of Music	Putnam	\$4,232.00
The annual DePauw Jazz Festival welcomes middle and high school jazz ensembles to participate in masterclasses with guest artists. This year the guest artists are from the internationally acclaimed jazz group the Vijay Iyer Sextet. Funding from the IAC will directly support the artistic fees for the Vijay Iyer Sextet for their work during the DePauw Jazz Festival including masterclasses, guest artists performing with the DePauw Jazz Band, and their Green Guest Artist Concert.				
6	APS	Indiana State University School of Music	Vigo	\$4,232.00
The 53rd Contemporary Music Festival will be a three-day festival with internationally acclaimed composers, professional orchestra and guest ensemble. Members of surrounding communities, local schools, university students, and other guests will be invited to attend and participate in performances, educational activities, discussions, and social events focusing on trends in contemporary musical expression. IAC funds will be used to assist with publicity and travel for guest artists.				
6	APS	Indiana State University's Community School of the Arts	Vigo	\$4,232.00
"Rock Camp", an intense 8-day and 7-night residency program, provides fun, educational opportunities for high-school students to benefit from professional, quality music instruction. Music education leads to the development of creative and critical problem-solving skills, higher self-esteem and pride in accomplishment. Funds enable eight 21st Century Scholars to experience music performance, business and history, providing them with the understanding that music can be a viable career choice.				
6	APS	Linda Luebke Strings Festival	Vigo	\$4,232.00
Our project is to increase the impact we make with students and build a strong foundation for growth of the Festival. The goal is focused on reaching more fifth grade strings students to give them a solid introduction to their instrument and to build long-lasting members of the Festival. We will also target the fifth grade strings teachers to train them, along with their students, so they can take these skills back into their classrooms, impacting many children who did not attend the festival.				
6	APS	Rose-Hulman	Vigo	\$4,232.00
To provide an evening performance of Tao: Drum Heart on Tuesday, March 17, 2020. Ticket prices will be a discounted rate of \$29 for adults and \$10 for children under 18 years of age. 6	APS	Saint Mary-of-the-Woods College	Vigo	\$4,232.00
The project will bring several professional singers to a residency at Saint Mary-of-the-Woods College (SMWC), to conduct educational workshops with SMWC students, local music students, and other members of the community. Lasting 5-7 days, the residency will focus on choral singing but also recognize the 100th anniversary of the Nineteenth Amendment. The workshop will culminate in at least one combined choral performance for a public audience, highlighting women composers and historical figures.				
6	APS	Terre Haute Childrens Choir	Vigo	\$1,850.00
The project will provide free after-school choral music activities for students at one or more elementary schools in Sullivan Co. Funds will be used for salaries and travel for college student interns who will provide program services; for materials; and salary for a part-time Project Manager who will coordinate the program in partnership with ISU Community School of the Arts. Additional funds will extend the outreach to provide THCC scholarships for Sullivan Co. students.				
6	APS	Terre Haute First Church of the Nazarene	Vigo	\$4,232.00
This proposal is to fund the third year of a residency by the Salomon Chamber Orchestra, a group of professional musicians from all over the Midwest in Terre Haute. The musicians perform a community performance hosted by our church, we collaborate with the ISU School of Music to provide a side-by-side workshop with their orchestra students, and we reach out to one or more of our local elementary schools, where the musicians also do an outreach. Funds support the musician's professional fees.

Funds from this grant will allow us to bring in artists and their work aiding in cost of shipping, travel, lodging and honoraria.				
10	APS	Warrick Public Education Foundation	Warrick	\$4,834.80
The purpose of the summer musical is to educate the community on the importance of artistic education, especially related to theater. This summer, our 23rd annual summer musical will be Disney's "Newsies." We believe this selection will provide a significant opportunity for historical and cultural education for our students and for the community. Our production will be the Regional Premier of this show, introducing our community to a show they have unlikely seen before.

12	APS	Charlestown-Clark County Public Library	Clark	\$3,375.00
The Charlestown-Clark County Public Libraries will offer quality art programs for the entire community with its 2020 Summer Art Program. Our theme will be "Imagine Your Story: The Art of Make-Believe at Your Library!". We are planning to explore fantasy and fairy tale art. We are planning on having four weeks of art programs for elementary school-age children, one week of art programs for teens and one week of art programs for adults. This program would run from June 1, 2020 - June 26, 2020.				
12	APS	City of Jeffersonville - Public Art Commission	Clark	\$5,000.00
The Creative Impact Series is new to our public art programming in 2019. There are nine scheduled events that comprise the Creative Impact Series with artists, authors and community members coming together for facilitated demonstrations, take-away experiences and public art workshops - all held within the Arts Center in the newly accredited NoCo Arts and Cultural District in Jeffersonville, Indiana! JPAC is seeking funding to assist in paying for the Sculpture Artist in Residence.				
12	APS	Communities in Schools of Clark County	Clark	\$5,000.00
Communities in Schools of Clark County will contract with Commonwealth Theatre: Blue Apple Outreach to bring performances to 15 elementary schools in Clark County in an assembly style presentation. Blue Apple Outreach will ensure the artistic content aligns with ISTEP+ standards. Teacher resources are made available to further the use of arts in the classroom. .				
12	APS	Greater Clark County Schools	Clark	\$5,000.00
The grant will tie in performing & visual arts, literature, geology, & life choices. Students will analyze patterns of characters' good & bad choices in KY Shakespeare's 2-person Boy Meets Girl Meets Shakespeare performance featuring Hamlet. Students will submit drawings focused on Shakespeare for a bench carving competition. Students will learn about geology and use stone carving tools to carve a bench & necklaces. Students will donate bench to the community/Jeffersonville Public Library.				
12	APS	Harrison County Arts! Inc	Harrison	\$5,000.00
Harrison County Arts!, Inc. (HCA) will bring art to the very busy Farmers Market on Friday nights. Members of the HCA will staff a booth and present a variety of free art programs for all ages to our community. Artists will also have an opportunity to sell their art work at this venue. Funds will be used to rent booth space, purchase supplies needed by the artists and to provide compensation to the artists. Admin- HCA will organize scheduling of the artists and their programs.				

Region	Program	Grant Recipient	County	Grant Amount
12	APS	Hayswood Theatre Group, Inc.	Harrison	\$5,000.00
Hayswood Theatre's 2019/2020 Season will consist of 5 performing arts shows that will provide Harrison County and surrounding areas with opportunities for people to participate in or enjoy live theatre performances. Indiana Arts Commission grant funds will be used to enhance 4 of our 5 shows, by assisting with the production cost of each show. Additional funding helps us to present professional quality performances and encourage performing arts appreciation in Southern Indiana.				
12	APS	Historical Society of Harrison County	Harrison	\$5,000.00
The Historical Society of Harrison County has established a community-wide program to capture the stories of the small towns remaining in Harrison County, as well as those that have fallen by the wayside. Free, open to the public town hall meetings, at which local residents and interested participants gather to swap stories and information are scheduled. The Historical Society of Harrison County will compile tales, artwork, photos, maps, and other data into a professionally published booklet.				
12	APS	Indiana University on behalf of IU Southeast Ogle Center	Floyd	\$5,000.00
The Ogle Center's Children and Family Series brings high-quality educational and cultural programming to K-12 students in Southern Indiana at no cost to families or schools. We seek support from the Indiana Arts Commission to bring nationally recognized programming to the area. Through partnership with area schools, this project will reach a broad cross section of students. We expect up to 12,500 Southern Indiana residents to benefit directly from the series.				
12	APS	Jeffersonville Arts Alliance	Clark	\$4,000.00
The Jeffersonville Arts Alliance would like to host community workshops on the art of lantern making. The ending result is an outdoor, nighttime, walking art exhibit of the community's creative pieces! The "Glow Parade" of light and color will add to the illuminated Steamboat Nights Heritage Festival occurring on Labor Day weekend this year. As this is our 3rd annual "Glow Parade" we are hoping the tradition will continue to grow and attract community members.				
12	APS	Jeffersonville High School Instrumental Band Boosters, Inc.	Clark	\$5,000.00
Access to Artists, the proposed project, will provide a weekly group lesson by an accomplished professional musician to students in the Jeffersonville High School Band Program on their respective instruments. The project will be structured into the weekly band curriculum. The IAC Regional Arts Grants funds will be used to compensate the professional musicians for their services to the program. This funding would allow the organization to continue and expand the current program.				
12	APS	Lanesville Community School Corporation	Harrison	\$5,000.00
Culture in the Arts brings Fine Art professionals exploring music, theater, visual arts and storytelling into our classrooms, grades K-12, during the 2019-2020 school year. This grant will allow us to expand our students' scope of the world for using visual arts, music and drama. The grant will allow our students to participate 3 music workshops, 4 visual arts workshops, 1 workshop in theatre, 1 family night, which ties art with math, 4 assemblies and support staff for our music department.				
12	APS	Lanier Mansion Foundation	Jefferson	\$4,000.00
During the summer of 2019, the LMF will host a series of free concerts for the community at the Lanier Mansion State Historic Site in Madison, Indiana. 12	APS	Oak Heritage Conservancy	Jefferson	\$5,000.00
Our project sparks community-scale conversation about how natural areas and working farms contribute to the character of our rural communities. These are key conversations in times of increased land development and decreased time in nature. IAC funds will help us: host amateur photography contest; host online exhibit and travelling exhibits in community spaces; and give winners mounted prints of their work.				
12	APS	Ohio River Valley Folk Society	Jefferson	\$5,000.00
Funding will support the RiverRoots Music Series, an offshoot of the two-day Americana music festival held each June in Madison. The project will keep the spirit of the Festival alive and continue to foster the community's appreciation of the genre. IAC funding will be used to engage a higher-tier performer for the series, while generating further interest in the festival. The project includes in-school musical performances and artists' songwriting workshops.				
12	APS	Southwestern Jefferson County Middle and High School	Jefferson	\$5,000.00
Our organization provides music education and performance opportunities for the students of Southwestern Middle/High School. We provide music and performance instruction to students in grades 6-12, working with approximately 120 students. For our grant project, we intend to improve the educational experience of all of our students through expanded performance opportunities and venues and by supplying necessary materials to guarantee our students a quality music education experience.				
12	APS	West Crawford Elementary School, Crawford County Community Sch	Crawford	\$5,000.00
A fine arts presenter will provide art education monthly while a music presenter will provide music education weekly for K-5 students. Other fine arts activities will be presented throughout the school year and field trips will take place. The funds from the IAC will help support the fine arts program with matching funds from our local Parent/Teacher Organization, local businesses and our elementary school.
